apply(ies) to use the information designated as the TREC Total Recall Information-
Retrieval Text Research Collection subject to the following understandings, terms and
conditions. These understandings, terms and conditions apply equally to all or to part of
the information.

Permitted Uses

1. The information may only be used for research and development of natural-
language-processing, information-retrieval or document-understanding systems.
Portions of the data maybe copyrighted, and may also have commercial value as
data, so you must be careful to use it only for research purposes rather than for its
informational uses.
2. Summaries, analyses and interpretations of the linguistic properties of the
information may be derived and published, provided it is not possible to reconstruct
the information from these summaries.
3. Small excerpts of the information may be displayed to others or published in a
scientific or technical context, solely for the purpose of describing the research and
development and related issues. Any such use shall not infringe on the rights of any
third party including, but limited to, the authors and publishers of the excerpts.

Access to the Information by Individuals

1. Access to the information by an individual person is to be controlled by that
person's organization. The organization may only grant access to people working
under its control, i.e., its own members, consultants to the organization, or
individuals providing service to the organization.
2. Individuals may be allowed access to the information only after completion and
submission of this form. The access is to be terminated when the conditions of the
application no longer apply. The organization will retain the applications of all
persons ever granted access to the information and make them available upon

request to any of the copyright holders and to the institution or agency holding this completed application.

3. The organization will maintain a list of people with current and recently-terminated access to the information, and provide it to NIST upon request.
4. An individual with access may only display the information to or share the information with persons whom his organization lists as having access to the information.

Copyright

1. The copyright holders retain ownership and reserve all rights pertaining to the use and distribution of the information.
2. Except as specifically permitted above and as necessary to use and maintain the integrity of the information on computers used by the organization; the display, reproduction, transmission, distribution or publication of the information is prohibited. Violations of the copyright restrictions on the information may result in legal liability.
3. Copyright holders of the information contained in the Information-Retrieval Text Research Collection include a wide variety of online publishers as indicated in the content.
